

Partnership for Missional Church: the congregational timeline

What's the point of doing this?

If we don't know where we are now – how do we discern God's vision for our future?

SO:-

we need to listen to our congregation

we need to be aware of our past

we need to celebrate what has been good

we need to recognise what is still good

we need to take what is and will be good into our future –

God's future for our church

We want your memories, your voice, your thoughts, your hopes, your fears, your dreams

for our church and God's future

**Please come to All Saints Church – Boyn Hill - Maidenhead
on Sunday 29th November 2015 at either the 8:00am or the
10:00am Service and help create our timeline.**
