COLLECT

Almighty God, who alone can bring order to the unruly wills and passions of sinful humanity: give your people grace so to love what you command and to desire what you promise, that, among the many changes of this world, our hearts may surely there be fixed where true joys are to be found; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God now and for ever. **Amen.**

Gradual Hymn 696 Jesus, where'er thy people meet

GOSPEL Matthew 5: 13 — 20

Jesus went up the mountain and was joined by his disciples. Then he began to teach them: 'You are the salt of the earth; but if salt has lost its taste, how can its saltiness be restored? It is no longer good for anything, but is thrown out and trampled under foot. You are the light of the world. A city built on a hill cannot be hidden. No one after lighting a lamp puts it under the bushel basket, but on the lampstand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven. Do not think that I have come to abolish the law or the prophets; I have come not to abolish but to fulfil. For truly I tell you, until heaven and earth pass away, not one letter, not one stroke of a letter, will pass from the law until all is accomplished. Therefore, whoever breaks one of the least of these commandments, and teaches others to do the same, will be called least in the kingdom of heaven; but whoever does them and teaches them will be called great in the kingdom of heaven. For I tell you, unless your righteousness exceeds that of the scribes and Pharisees, you will never enter the kingdom of heaven.'

Our churches and church-related activities must be safe for all, with safeguarding policies and practices that promote a safer church. We need to be certain that all known cases of concern about the behaviour of our clergy or church officers towards children and adults have been considered and dealt with appropriately. Every church in the Diocese, including our own, is now undertaking a comprehensive review as part of the national Past Cases Review 2 (PCR2). You can find out more about PCR2 on the

Diocese of Oxford website: oxford.anglican.org/pcr-2 If you have information or need to make a disclosure regarding church-related abuse, please make direct contact with the Safeguarding Team at the Diocese of Oxford on 01865 208290. If you have lived experience of abuse from within the Church of England, you may prefer to call the dedicated telephone NSPCC helpline, which is independent of the Church. Call 0800 80 20 20. The NSPCC helpline is also available to anyone wishing to provide information or to raise concerns regarding abuse within the Church of England. The helpline is there for you whether you are reporting issues relating to children or adults or seeking to whistleblow about poor safeguarding practice. Your call is confidential, and your concerns will be taken seriously.**Louise O'Dwyer Barnard, Safeguarding Officer****FLOOR REPAIR PROJECT.** Following discussions with the Oxford Buildings Committee (DAC), Historic England and The Victorian Society we have been given permission to go ahead with the project, subject to any comments from anyone. To permit this a Public Notice has been posted on the external notice board and at the back of the church on behalf of the Diocese and they need to remain there for one month. All three organisations will continue to keep a close eye on what we are doing but of course it all depends on raising enough funds to pay for it. Following the fantastic money pledged from the project launch on 22 September last we are seeking further grants from other organisations, not an easy road, but anyone can still pledge. I will keep you posted on progress but please don't hesitate to ask me about anything.**West End Re-ordering.** When we launched the floor project we also explained that we were planning to improve our welcome to visitors and the quality of our socializing by changing the back of the church with cupboards to store some of the items currently on display, to house the altar frontals in place of the current mismatched two frontal chests, to lay on running water and a sink, and to provide café-style tables and chairs. Some pews will be moved elsewhere to make room. We are in discussion with the Diocese about the plans, which have been approved by the PCC, but in the meantime Maidenhead Rowing Club, through the good offices of Paul Lion, have offered us a few tables and chairs as a trial. We hope to install them in the near future, and to move two pews from behind the cross aisle to in front of the cross aisle to facilitate it. At the moment this is a trial so by all means let Fr. Jeremy or myself know what you think when the trial is set up. There are some pictures on the board at the back.**Ken Smith****NOTELETS**

Following the success of the Christmas cards, and thanks to Reg Denison for allowing us to use the painting, we now have blank cards of the Birinus Garden available for sale. Priced at £10.50 for 10 or £1.10 each with envelopes. An Order form is on the table at the back of the church. They will later also be available to order as Easter cards with the greeting "Happy Easter" and a bible quotation. All proceeds go to Project Galilee (the Floor Fund).

Jeremy & Sue Nordberg**REFRESHMENT TEAMS**

We are in need of more people to help serve refreshments after the Sunday 10.00am Eucharist. Volunteers just need to arrive by 9.40am to set up and to provide milk and biscuits; everything else is supplied. If you are interested you could just ask today's team what's involved and then let one of the Churchwardens know if you'd like to go on the rota. If we have enough people then your turn would come round about every 6 weeks.

PEWSHEET NOTICES Please send any notices for the 1st, 8th and/or 15th March pewsheets to the Parish Office, allsaintsboynehill@gmail.com for the attention of Melanie.
