EDITORIAL

All Saints' Church, just off the A4 Bath Road to the west of town, was opened in 1857 to serve rural Boyne Hill. The church complex is arguably the most important collection of listed buildings in Maidenhead. You will find a warm welcome from our 21st century heating system! The worship needs of today are served by a variety of services, each in a distinctive style. Our main service on Sundays at 10 am, the Parish Eucharist, has a crèche and a lively group for young people of primary school age. Various faith growth courses run throughout the year, which help people to explore the riches of the Christian faith.
